

Newtown Savings Bank is currently seeking Mortgage Bankers for our Mortgage Team. The successful candidate must be sales oriented and possess excellent communication skills.

The Mortgage Bankers are responsible for all retail lending, including mortgage loan origination. This includes the interview process, completion of the application, and the receipt of all supporting documentation in order for the Mortgage Loan Underwriter to process the application.

Requirements:

- Bachelor's degree or equivalent.
- 3-5 years mortgage banking experience required, preferably in a community bank.
- Knowledge and understanding of loan products, forms, documentation, and compliance issues.
- Strong customer interviewing skills.
- Ability to meet deadlines.
- Proficient in MS Office.

For consideration, please include your cover letter and resume, including salary history.
