**Newtown Savings Bank Achieves 100% Community Involvement**

With the introduction of Newtown Savings Bank's **NSB Care** program in January 2009, John Trentacosta, President & CEO of Newtown Savings Bank challenged all Bank employees to volunteer in the community, and set a goal of attaining 100% involvement in community service within the next few years.

Recently, during the Bank's annual employee awards meeting, Mr. Trentacosta announced that this challenging goal had been attained in just one year with over two hundred Bank employees participating in some manner of local community service in 2009 with well over 8,000 hours volunteered. He expressed his pride by stating, "I could not be more thrilled to report this terrific news. Newtown Savings Bank employees really stepped up, especially during these difficult times, in helping our community's elderly, its youth and its hungry – to name just a few."

In addition to volunteer hours, Newtown Savings Bank and its employees contributed over \$250,000 financially to community programs in 2009, and collected over 3100 pounds of food for local United Way food drives.
