Announcements

After more than 30 years leading our Sand Hill Office, Maureen Birden has decided to take on a new challenge as a Vice President, Loan Officer. Maureen has always enjoyed helping people finance their new homes as it provides quality time with her customers. Now she will have an opportunity to do this full time.

Sue LoRusso has moved from Branch Manager in our Southford office to Branch Manager in our Sand Hill office. We chose Sue to manage Sand Hill because of her superlative customer service skills which we are sure will come in handy as she will now be responsible for the Bank's fourth largest office.

In **Monroe**, Jan Snyder is managing our **Century Plaza and Clock Tower offices**. Jan is assisted by Cathy Wojiski, our Assistant Manager at Monroe Clock Tower and Carrie Milks, our Assistant Manager at Monroe Turnpike. Johnathon Muniz who had been managing our Clock Tower Office is now a full time Mortgage Loan Officer working out of our Trumbull office. He is looking forward to helping new clients realize their dream of home ownership and working with existing clients with any new mortgage needs they may have.

Seamus Walsh now has responsibility for managing both the **Southbury and Southford offices**. Seamus is assisted by Nancy Gunning, our Assistant Manager at Southford and David Myrick Jr., our Assistant Manager at Southbury. In Woodbury, Karen Tracy, a former member of our Branch Administration team, is the Branch Manager of our **Woodbury Office**.

We are excited about these changes as they reflect our dedication to serving you and our commitment to our employees in providing advancement opportunities from within the bank.
