We are redesigning our website!

NSBOnline.com gets a major Upgrade

Pictured above is a snapshot of our new website. This is our first major enhancement in almost six years. In addition to the new look, we are adding important functions including:

- You can open checking and savings accounts online.

NSBOnline.com gets a major Upgrade

Pictured above is a snapshot of our new website. This is our first major enhancement in almost six years. In addition to the new look, we are adding important functions including:

- You can open checking and savings accounts online.
- Easy access to your accounts organized at the top left of almost every page.
- Links to YouTube and as well as internal pages where you can follow our NSBCare events in our communities.

We plan to implement the enhancements without any interruption in service. Look for our new look later this month at www.nsbonline.com.

NSB eSavings replaces NSB USweep

Our internet only savings product has been one of the highest paying savings accounts on the internet. Now we are making it easier to use by eliminating the extra website when you transfer funds from another Bank. Now you can do all of your banking right from one site, with one sign-in.

Existing NSB USweep customers will soon receive a notification about the upgrade to NSB eSavings and the new simplified way to transfer money from other Banks. Best of all, it's still a high rate savings account free of regular maintenance charges. Open a NSB eSavings at www.NSBeSavings.com.

EasierMortgage.com

Easier Mortgage.

We have making mortgages easier than ever. Visit www.easiermortgage.com to find out the 10 ways we make mortgages easier.

When it comes to better mortgages, were there with you, earning our stripes.
