

Welcome

This is the first issue of our e-mail newsletter. Six to eight times per year we will send an e-mail newsletter covering both community and bank events. This first issue will give you an idea of the types of information we plan to provide in future issues.

NSBCARE

One of our first donations after the launch of the NSBCARE program was to The United Way. Pictured are John Trentacosta, President, CEO of Newtown Savings Bank and Michael Johnston, CEO United Way of Western CT.

Reflecting our total commitment to our communities, Newtown Savings Bank and the Newtown Savings Bank Foundation provide financial support to over 180 community organizations. Most of the organizations already have a Newtown Savings Bank employee or trustee as a volunteer. Employees were recognized by the Volunteer Center of Danbury for volunteering over 12,000 hours in 2008. The Bank's new **NSBCARE** program, introduced in February 2009, has set a high goal of 100% employee volunteerism. Volunteer opportunities have been or will be established in each of our branch towns to facilitate attaining this lofty goal. By exposing employees to different types of volunteer opportunities, we hope to inspire them to find a cause that they are passionate about to continue to support going forward.

Online Banking Tip

Using NSB *Online*, you can change the names of your accounts to make it easier to identify each of your accounts at Newtown Savings Bank. As you add accounts, we assign fairly generic names such as "Prime 0001". You might want your own name for each account. Next time you log into NSB *Online*, just pick the tab, Account Options, then below it, Accounts. You'll then be able to change your account names to almost anything you want.

The screenshot shows the NSB Online interface. At the top, there are tabs for 'NSB Online', 'Bill Pay', and 'Account Options'. Under 'Account Options', there are sub-tabs for 'Personal', '>>Account', 'Screen Display', and 'Alerts'. Below these is a dropdown menu for 'Deposit' with a plus sign and the text 'Select accounts to modify settings.'. Underneath is a 'Deposit Accounts' section with a question mark icon. It contains a table with two columns: 'Account Pseudo Names' and 'New Account Pseudo Names'. The first row shows 'Prime 0001' in the first column and an empty text input field in the second column.
