Celebrating Small Businesses

Small businesses are the heart of our community—your favorite café that knows your order by heart or the shop that always has the perfect gift. They bring character and connection to our neighborhoods, and we're proud to support their success.

To celebrate the small businesses that help our towns thrive, we're excited to introduce Loving Local! Throughout the year, our team will be popping up at locally owned shops sharing little surprises to brighten your day. It's our way of saying thank you for choosing to shop local.
