Newtown Savings Bank Named to America's Best Regional Banks and Credit Unions

NEWTOWN, CT – Newtown Savings Bank announced today that it is recognized as one of *America's Best Regional Banks and Credit Unions 2025* by *Newsweek* and Plant-A Insights Group.

Newsweek and Plant-A Insights Group recognizes top regional banks and credit unions in the United States by conducting a large-scale study based on the analysis of over 9,000 FDIC-insured U.S. banks and credit unions, more than 70,000 customer surveys, and millions of social media and app reviews. The institutions are assessed based on a formula that included measures of profitability, asset quality, lending activity, online banking and mobile app satisfaction scores, and a customer survey. The final ranking includes only ten banks and credit unions headquartered in Connecticut: Newtown Savings Bank being one of only six to receive a five-star rating.

"We've inherited a great legacy as part of Newtown Savings Bank's 169-year history and I am very proud of the ways in which we are working together to build on and strengthen that legacy," said Ken Weinstein, President and CEO of Newtown Savings Bank. "This recognition reflects the commitment our employees demonstrate every day to earn and keep the trust of our customers and the community. It's a privilege to serve our friends and neighbors, and, as always, we'll continue to work to meet and exceed their expectations."

Newtown Savings Bank offers a full range of products and services to meet the personal and business banking needs of its customers including a wide variety of unique checking and savings options, competitive business and personal lending options, and a full range of online and mobile banking services.
