## **Newtown Savings Bank Leads AED Fundraiser**

NEWTOWN, CT (January 22, 2019) – Newtown Savings Bank has partnered with the Danbury Hospital Foundation to raise funds to purchase Automated External Defibrillators (AED's) for all Newtown Police patrol cars.

*“Newtown Police Chief James Viadero made us aware of a recent incident where a responding police officer arrived on the scene before the arrival of an ambulance. The individual was in need of an Automated External Defibrillator which was not available until the ambulance arrived,”* said Tony Giobbi, EVP & Chief Banking Officer. *“The incident has made clear the potentially life-saving benefit of having patrol cars equipped with AED's, and we ask you to join us in this important fund raising initiative,”* Giobbi added.

Newtown Savings Bank will match all gifts received up to \$5,000. Please make checks payable to the DH & NMH Foundation and mail to:
