### **Newtown Savings Bank Organizes Eleven Town Food Drive**

In support of Hunger Action Month, Newtown Savings Bank organized a community-wide food drive across its eleven branch towns. The food drive, which started on September 12, will run through October 1. At the beginning of October, the items collected will be delivered to local food pantries including, the Department of Social Services in Bethel, Brookfield, Monroe, and Trumbull, Bridgeport Rescue Mission, Community Action Agency of Western Connecticut, F.A.I.T.H. Food Pantry, Seymour/Oxford Food Pantry, Spooner House, Southbury Food Bank, and the Community Services Council of Woodbury.

“Food insecurity is a reality for many of our neighbors,” said Ken Weinstein, President & CEO of Newtown Savings Bank. “As a community bank, we are committed to the cities and towns we serve and will continue to address and alleviate hardships as best we can. We hope those who are able, will join us in this effort.”

Customers and community members are encouraged to stop by any Newtown Saving Bank branch to donate non-perishable food items now through October 1. The lists of items needed are available both online and in the branches.
