**Newtown Savings Bank Named Best Small Bank in Connecticut by Newsweek**

NEWTOWN, CT -- Newtown Savings Bank has been recognized as "Connecticut's Best Small Bank" by Newsweek magazine as part of their inaugural "[America's Best Banks 2021](#)" ranking.

2,500 FDIC-insured U.S. banks were assessed based on 55 separate factors including checking and savings product offerings, fees and interest rates, online banking and mobile app satisfaction scores, and customer service ratings in order to develop best-in-class options across 19 categories—including the best small bank (assets under \$10 billion) in every state. The awards come in a year when bankers have been working to help consumers and small businesses to weather the effects of the COVID-19 pandemic and provide much-needed aid and stability to local economies.

*"We are truly honored to have been named Connecticut's best small bank," said Kenneth L. Weinstein, Newtown Savings Bank's President & CEO. "I have been inspired by the dedication and hard work of our employees and their commitment to meeting our customers' needs in so many ways during this very difficult time, and we are all very proud of this recognition".*

Also known as a top mortgage lender in the state\*, Newtown Savings Bank offers a full range of products and services to meet the personal and business banking needs of its customers including a wide variety of unique checking and savings options, competitive business and personal lending options, and a full range of online and mobile banking services.
