Manage Your Debit Card from our App!

Great news! With our mobile app, you can manage the status of your Newtown Savings Bank debit card 24 hours a day.

Received your new debit card in the mail? Activate it on the app.*

Misplaced your card? Simply disable your card using the toggle button.

Found your card? Just as simply, change the status back to Active.

Report your card lost or stolen This option will permanently shut off the card. You will need to contact us to get a card with a new debit card number.

Reorder Card If your card is cracked or worn, order a replacement card with the same card number. Your card will remain active until you receive a new one.

Here's how:

1. Open the Newtown Savings Bank app.
2. In the Accounts screen, tap on the name of the checking account that your debit card is linked to.
3. From the card(s) list, select the card you want to manage.
4. Choose from the options listed.

Questions? Call or stop in and we'll be happy to help.

Don't have our app? Download it at the App Store or at Google Play today!

*Only activate your card after you have received it in the mail.
