Fonck Receives New Leader In Banking Award

NEWTOWN, CT – Brian Fonck, Vice President and Regional Manager at Newtown Savings Bank, was one of 15 bankers who received a "New Leader in Banking" award at the Connecticut Bankers Association Award Banquet held earlier this month at Mohegan Sun. This program recognizes up and coming stars in the Connecticut banking industry.

Fonck joined the Bank in 2004 as a Platform Representative, and was quickly promoted to Assistant Branch Manager later that year. In 2006, he was promoted to Branch Manager and managed the Woodbury Office for three years. He then managed the Trumbull Office for two years until he was promoted to Regional Manager in 2011. In 2013, he was promoted to Vice President, and now manages half of the bank's 14 branch network along with the Customer Service Center and Retail Training. He has a Business Management degree from New England College of Business and Finance, and is a 2009 graduate of Connecticut School of Finance & Management.

Ken Weinstein, Newtown Savings Bank President & CEO, attended the event and commented, "Brian's commitment to the Bank and to the industry, his day-to-day leadership and contributions to the Bank's success, and his significant impact in the community make him a worthy recipient of this honor." A long time Trumbull Rotary member, Fonck also serves on the board of TEAM, Inc., is a Cub Scout den leader, and a Naugatuck Thunderfish board member. He resides in Naugatuck with his family.

###
